The matter of foreclosure of the mortgage on the Wilmington, Charlotte S Rutherford Railroad was brought ap by a motion of Counsel to set a day for the trial of the case. The argument on this point consumed the greater portion of the forenoon, and was participated in by Col. Robert Strange and M. London, Esq., for, and Hon. Geo. Davis and Majors C. M. Stedman and D. J. Devane against, the motion.

The matter of foreclosure of the many and salient points of beauty constantly before them contribute to this. Patriotism, for instance, has been engendered among them to an unusual degree.

This is to certify that I was called upon by Messrs. J. Miles Hunter & Tew to visit Mrs. Margaret E. Dubose in December. 1871, upon the arrival in Goldsbore, and found her suffering with a large tumor, obstructing the vision and extending below the upper lip. I diagnosed the case to be a Rose Cancer. Messrs. Hunter & Tew then made an application of their cancer Remedy. From this time I lost sight of the case until to-day. December 11th, wen I was again called upon to visit the patient. I found the much improved in general health, and without any trace of the Vaccar.
